Arrival Information for Villa Duboka

Buying Tickets in Split

Buy your ferry tickets from **JADROLINIJA** ticketing inside the main building. Ask for tickets to **SUPETAR, BRAC**.

You cannot make reservations in advance, but you should have no problem getting tickets and getting your car on board. **Saturdays may be busy, so give yourself an extra ¾ hour.**

At Split Ferry Port

As you arrive into the ferry port in **SPLIT**, keep in the lane signposted for **SUPETAR/BRAC**.

Normally, **SUPETAR** ferries leave from the dock closest to the Jadrolinija building. There will be people there in uniform to show you where to park to queue for the ferry.

Please SMS or call Martina, the house manager, when you are on the ferry:

Arriving Supetar Harbor

Leaving Supetar

When you arrive in Supetar on Brac, follow the cars straight off the ferry, away from Supetar.

At the roundabout (less than 1km) take the 2nd right and follow this until you come to the fork in the road (about 500 m).

GO RIGHT at the fork along the coast. **DO NOT TAKE THE ROAD STRAIGHT** towards BOL even though it says Milna.

Driving to Milna

The sign pointing right will say: Mirca Sutivan Lozisce

You will **follow the coast**, passing through Mirca, Sutivan, Lozisce and Bobovisce, then come to Milna at the end of the road (about 18 km).

Meeting in Milna

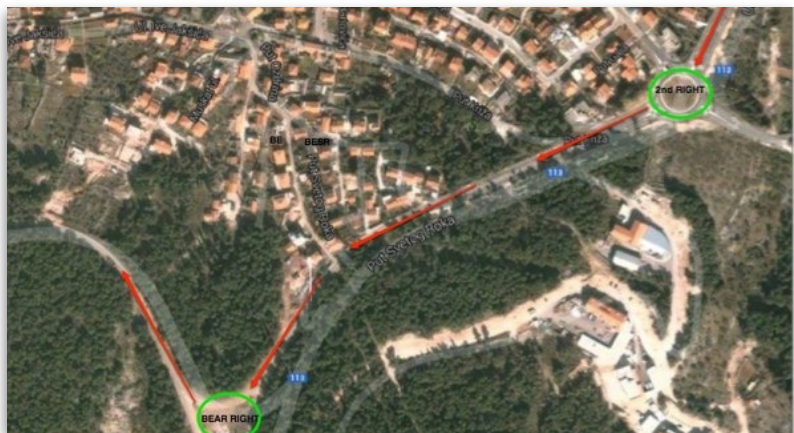

You will be met in Milna in front of the **Palma Restaurant**, the first restaurant on the right as you enter the village across from the Marina and the Bus Stop.
